of the **Chicago Area**
Theatre Organ
Enthusiasts

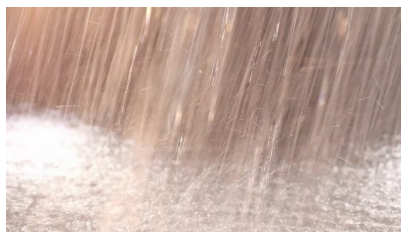

Our next social will be a “special” event! CATOE and JATOE are teaming up to have an “Outdoor Driveway Social” featuring the beautiful Oriental Console with the Paramount 450 sample set. The artist for the afternoon will be the **2023 ATOS Organist of the Year, Donnie Rankin!**

The social will take place “under the tents” at my house (Taylor Trimby) in Joliet. (Weather Permitting) Arrival 1:30, program starts at 2pm. It will be warm, so dress accordingly! JATOE is providing hotdogs and all the trimmings, and CATOE will have plenty of water, iced tea and lemonade on hand. If worried about the heat, check out a personal battery operated fan that all stores carry or I saw at Target a water bottle with a fan attached so

you can “spritz” yourself and fan at the same time! **MAP ATTACHED!**

Weather Permitting—if heat/humidity is unbearable or a monsoon is predicted, the event will be cancelled. Decisions will be made available on Thursday Morning, July 18th. Check out www.catoe.org for updates, or if you get your newsletter vial email, we will send out an update — or you can call on **Friday** or **Saturday (only)** to verify.

Watch for an extra special event coming this fall. We are also planning to have a social at Mundelein something in the fall as well.

If you plan to bring something to share at the social on July 21st, be sure it does not need to be heated or kept cold as I do not have the ability to do either!

Please support all the venues that have and use their theatre organs.
